Office Memorandum • UNITED STATES GOVERNMENT

TO : Projects Review Committee

DATE: 30 March 1954

FROM : Comptroller

SUBJECT: Submission of Project for the Acquisition of Land and Buildings for the Technical Services Laboratory of the Technical Services Staff

25X1A

1. The proposal provides that [] be made available during the fiscal year 1954 for the purpose of acquisition of land and buildings for the Technical Services Laboratory of TSS.

2. Based upon the recent analysis of fund requirements for the balance of the current fiscal year a sufficient balance remains in the DD/P allocation to provide for this item.

3. It is noted that vouchered funds are requested. It is suggested that the determination as to the type of funds used be deferred until such time as the location and the cover to be used are decided upon.
